

# COMFORT MENU

*Your comfort is our priority. We provide a variety of services to assure that you are comfortable at all times. Please select from the following menu if you prefer any of these options, or let us know what we can do to make your experience enjoyable.*

- Many of our guests prefer to be on a VIP status. As a VIP, your credit card is kept on file and automatically charged for services rendered. This means less time for you during check-in and check-out procedures. Would you prefer our VIP status?     Yes     No
  
- We offer a variety of complimentary beverages for you to enjoy during your visit. These include: mochas, lattes, cappuccinos, teas, hot cocoa, iced teas, spring water, sodas, herbal tonic elixirs, and seasonal favorites. What type of drink would you enjoy at your visit? \_\_\_\_\_
  
- We provide various levels of sedation to ease your mind. Would you benefit from a sedative?     Yes     No  
If yes, we provide:        Nitrous Oxide (laughing gas)  
                                     Mild sedative  
                                     Moderate sedative
  
- We offer our guests complimentary hand paraffin wax dips to aid in the relaxation process. Would you be interested in this complimentary service?     Yes     No
  
- Watching movies and videos is an excellent way to pass the time during your visit. Our rooms are equipped with DVD players and flat screen TV's for your pleasure. Would you like to watch a movie or video?     Yes     No  
What type of movies do you like? \_\_\_\_\_

---

We have over 350 DVD movies available, ranging from old-time classics and music anthologies, to nature documentaries and new releases. We are always looking for opportunities to expand our library. If you have a specific request, please let us know.

- Blankets help keep you warm and relaxed throughout your visit. Would you like a blanket?     Yes     No
  
  - Pillows provide an extra measure of comfort whether you have a sore back or you would just like something to hold on to. Would you like a pillow?     Yes     No
  
  - Do you have sensitivity to sounds, products, or smells that you would like us to be aware of?     Yes     No  
If yes, what? \_\_\_\_\_
  
  - Massages have been proven to relax and decrease post-treatment discomfort. Would you be interested in a 30 or 60 minute massage prior to your treatment visit?     Yes     No
  
  - Is there anything else we can do for you to make your visit as comfortable as possible? \_\_\_\_\_
